Thanks for bringing me into the loop.

My husband

Ex. 6 Personal Privacy (PP)

I'll try and get through all of these tomorrow and see where my support is needed. However, being completely unfamiliar with this issue, I may need to schedule a call to talk things through so I'm clear on what's needed going forward.

Have a wonderful day...be well...and be safe!

I just have a couple of comments on the Q&A doc.

Are you revising the Comm Strat? This one talks about the draft and public notice and comment.

Hi Lucita and Laura: Darcy asked that I share these with you for your review.

NRC has reviewed these and had no comments (although its not entirely clear if their management has finished reviewing them).

I plan to add these Qs and As in updating our Communications Strategy for Dewey Burdock final permit issuance later this month.

Laura: I have also attached the most recent version of the CS we used to support draft permit issuance in 2019.

Thanks,

Douglas
